Mr. W.S. Carpenter,
Glendale, Utah

RE : LONG VALLEY DIST.

Dear Sir:

Enclosed herewith please find a copy of a letter from J.W. Morrison of Mt. Carmel Utah, in which he asks about water for culinary purposes, service station uses, etc.

Please confer with Mr. Morrison, ascertain the facts and particularly what service stations or public water places he has in mind. A decision in one case might not be applicable to another and you are therefore, to make no ruling to apply to all cases but one for each specific case according to the facts.

Yours very truly,

T.H. Humpherys,
STATE ENGINEER
